What the Citizens Along the Line Think of the Old Reliable Bond and Its Officials-A Well-Deserved Compliment.

The following letter was received at Como. lississippi, on the occasion of the presentaion of a watch and chain to Mr. Bellinger, the veteran conductor, who ran a train along the route during the terrible epidemic of last year.

MEMPHIS, June 12, 1879. J. E. Heath, Esq., Como, Mississippi: J. E. Heath, Esq., Como, Mississippi:

DEAR SIE—Your favor of the eleventh to hand. It is really very gratifying to us that the services of Mr. Bellinger as conductor of the only train we ran during the epidemic of 1878 meets with such substantial recognition on the part of his friends and the patrons of the road. Colonel White ordered a basket or champagne sent to the agent at Como, to be used on the occasion of the presentation, and I will order the train to lay over at Como thirty minutes, as requested. Regretting that I will not be able to be with you on the occasion, I remain, very respectfully, yours

M. BURK,
Superintendent.

During the proceedings incident to the presentation, Mr. J. E. Heath, book-keeper of Sledge & Sons, Como, Mississippi, pro-

posed the following happy toast, which was greeted with applause: greeted with applause:

I propose the Mississippi and Tennessee railroad; may it ever continue to be to this people what it has been in the past—constantly serving them in times of distress as well as in prosperity. And its vice-president, Colonel F. M. White, an untiring and remarkably intelligent worker for its interest, may he always be corporated in the incorporation as prominently as he stands corporeously among his cotemporary fellow-men. Colonel Mike Burk, superintendent, may his name ever be a bulwark of strength, and cominue to add power to this already powerful institution, furnishing transportation for some numired miles through the finest country known to the habitable globe. I would do myself and the road injustice were I not to mention its next ruling spirit, its treasurer—may he ever be as unto "Lamb."

Profitable Stock Investments, Before Messrs. Lawrence & Co., the New York bankers, inaugurated the combination system of operating in stocks, it was often very difficult for inexperienced operators, or even old stagers, to deal profitably by their singlehanded ventures. Now the field is open to everyone for successful operations, and capital in any amounts, from \$10 to \$20,000, can be used with equal proportionate profit. Instead of distracting efforts among many customers, the orders of thousands are concentrated into one vast pool and co-operated for the benefit of all, dividing profits pro rata every month. A prominent citizen of San Francisco made \$1264 83 from an investment of \$360 last month. Other customers are doing better still. \$25 pays \$125 during the month, \$200 returns \$1200, or six per cent. on the stock, and so on, as the market moves. BIG CREEK BULLIES. Gang of White Rowdies Make an Attack upon Peaceable Colored People on a Paducah Railroad Train-The White Bufflans Shoot at Men. Women

and Children. A most disgraceful affair occurred on a Memphis and Paducah railroad train on Sunday last, near Glencoe. The congregation of the Christian Advent church had invited the Immaculates, a colored society of this city, to attend the ceremony of laying the corner-stone of a church, and a me forty of the Immaculates went out. There were in all se eral hundred people at the gathering. After the ceremonies had terminated, and the visa party of white rowdies got on the cars and kicked up a fuss. The gang of rowdies consisted of W. S. Cortis, H. H. Fleming, White Linen Lawns, itors from this city had repaired to the train, R. L. Oglesby, Jim Neal and others at present unknown. They are young men of re-spectable appearance, but certainly of very bad habits. They live between Leroy and Glencoe. Jesse Kirby, colored, was stabbed in the shoulder by the white roughs Goyer, R. Galloway, John Gunn and W. N. and received a severe and painful wound.

Police-Officer Chastaine, colored, who was on the train, succeeded in arresting Curtis and brought him as a prisoner to this city. Yesterday H. H. Fleming and R. L. Oglesby were identified by colored people here, and were at once arrested. Jim Neal, the leader of the gang, escaped arrest. Yesterday afternoon Curtis, Fleming and Oglesby were brought before Esquire Spelman, who put them under five hundred dollars bonds each, county—Louisa Berton, Adm'x, vs. H. Furstenheim et al.
